

If You Choose To Manage Your Own Funds...

Our self-administration tool, Amethyst, is **the most innovative and easy to use tool** to help you manage your future medical funds on your own, while making your funds last as long as possible.

How Amethyst Works

You'll have our expertise to help coordinate your care after settlement, on your terms. You'll receive an Amethyst card that connects to your debit card. It works like a traditional insurance card with no copays or extra charges.

Simply show this card at all of your doctors or pharmacy visits to easily track your expenses and get discounts on your treatments. Amethyst applies all charges to your debit card on file, facilitating all payments on your behalf.

Let us be your resource to self-administer your future medical funds.

Getting Started With Amethyst

01. CREATE YOUR ACCOUNT ONLINE

Head to ametros.com/AM20 and fill out the form to create your account. Add your debit card information so Amethyst can connect directly to your bank account that contains your medical funds. Your virtual Amethyst card will be available the second you complete registration, and your physical copy will be mailed to you within 5-7 business days.

02. YOUR DOCTORS & PHARMACY

Our Care Advocate Team will call you to gather your doctor and pharmacy information. We will reach out to them to ensure your care is handled appropriately and make sure they know all bills should be sent directly to us!

03. USING YOUR AMETHYST CARD

When you go to the doctor or pick up a prescription at your pharmacy for your injury-related treatments, simply show your Amethyst card just as you would a traditional insurance card. This will give you access to our discounts and could save you up to 21% on your ongoing healthcare expenses.*

04. REVIEWING YOUR ACCOUNT & SAVINGS

Sign in to your secure online portal at portal.amethyst.com to view statements, monitor your balance, and see how much money you are saving!
