

A Cash Card Built for Instant Settlement

Ametros' prepayment cards are securely loaded with injured individual's settlement money within minutes! Our free card has no minimum balance fees and is used just like a debit card. Take advantage of Ametros' convenient banking solutions for settlement at **NO COST**.

Activate within Minutes

The card is loaded with funds and activated once the claimant signs the release form and Ametros addendum.

With The Ametros Card, Injured Individuals Get:

Secure Settlements

Ametros banking ensures funding is transferred securely and efficiently. The injured individual will receive a free card with funds immediately available.

Settlement Advisors

The injured individual can consult our team of settlement advisors for financial and medical advice. We are experienced in helping thousands of individuals with their settlement funds.

Online & Mobile Banking

The injured individual gets access to a fully modern, online banking solution - including mobile application.

Settlement Central

Ametros stores the settlement documents and can provide integrated personal financial management tools.
